

Muntin Bars & Plant On Bars

Applies to any short or light bar, either vertical or horizontal, used to separate glass in a sash into multiple lites. Also called a window pane divider or sash bar.

Muntin bars can be used in both renovations and new building applications.

Interior muntin bars are available in the following sizes:

- 3/8", 5/8", & 1"

Interior muntin bars are available in the following colours:

- Black, White, & Beige Outside/White Inside.

Colour images shown above are for reference only and do not show 100% true. These are digital images of colour chips which show the light hitting the colour from different directions. Please contact Starline Windows for swatches or samples.
