

Color Options

The following **standard colours** are available the AAMA 2603, AAMA 2604, and AAMA 2605 specification standards:

The following **semi-standard colours** are available the AAMA 2603, AAMA 2604, and AAMA 2605 specification standards:

Note:

- Semi-standard colours are available for an additional cost. Procuring the semi-standard colour may require up to a 4 week lead time.
- Digital colour images shown are for reference only and do not show 100% true. Contact Starline Windows Ltd. for swatches or samples.

Custom colours are also available. Virtually any colour can be matched or very closely matched. The scope of work and overall custom colour quantity will be reviewed by Starline on a project specific basis to determine the feasibility of the custom colour request.

Note: Custom colours are available for an additional cost premium. An approximate 12-week lead time is required to procure custom colour requests.
