

Vinyl Extrusion and Hardware Finishes

Starline Windows provides a wide range of vinyl frame finish options designed to meet diverse architectural and aesthetic requirements. Available finishes include **Black**, **Charcoal**, **Silver**, **Beige**, and **Brown**.

Standard Finish

The standard interior and exterior finish for all vinyl frames is **White**. This finish is achieved through an unpainted extrusion process — the color is fully integrated into the vinyl substrate rather than applied as a surface coating. This ensures consistent coloration, durability, and a low-maintenance surface.

Optional Painted Finishes

For projects requiring enhanced design flexibility, Starline offers the option to paint the exterior frame using a UV-cured exterior-grade coating specifically formulated for vinyl fenestration products.

This advanced coating:

- Contains **100% solids** (zero VOCs and no HAPs)
- Provides excellent **UV stability** and **color retention**
- Offers long-term **weather and fade resistance**

For additional technical details, refer to the *CCI UV Cure Technical Data Bulletin* located in the *Miscellaneous* section of the catalogue.

Available UV-Cure Colours

Standard Colours*

- Black
- Charcoal

Semi-Standard Colours*¹

- Silver
- Beige
- Brown

* All finishes are available for both exterior and interior applications on the **7100, 3800, 3000 and 3500 Series** product lines. Please note that **Standard** and **Semi-Standard** colours are available at an **additional cost**.

Custom Colours

Custom colour finishes may be available upon request. All custom colour inquiries are evaluated by Starline on a **project-specific basis** to confirm feasibility and production requirements.

Please note:

- Custom colours are subject to an **additional cost premium**.
- A **minimum 12-week lead time** applies to custom colour orders.

Notes and Disclaimers

¹ *Semi-standard colours applied to both exterior and interior surfaces require a minimum order of ten (10) windows.*

Colour representations shown are for reference only. Digital images may not accurately reflect the true appearance of the finish due to variations in lighting and display devices. Please contact your local Starline branch for physical colour swatches or finish samples.
